

Spring

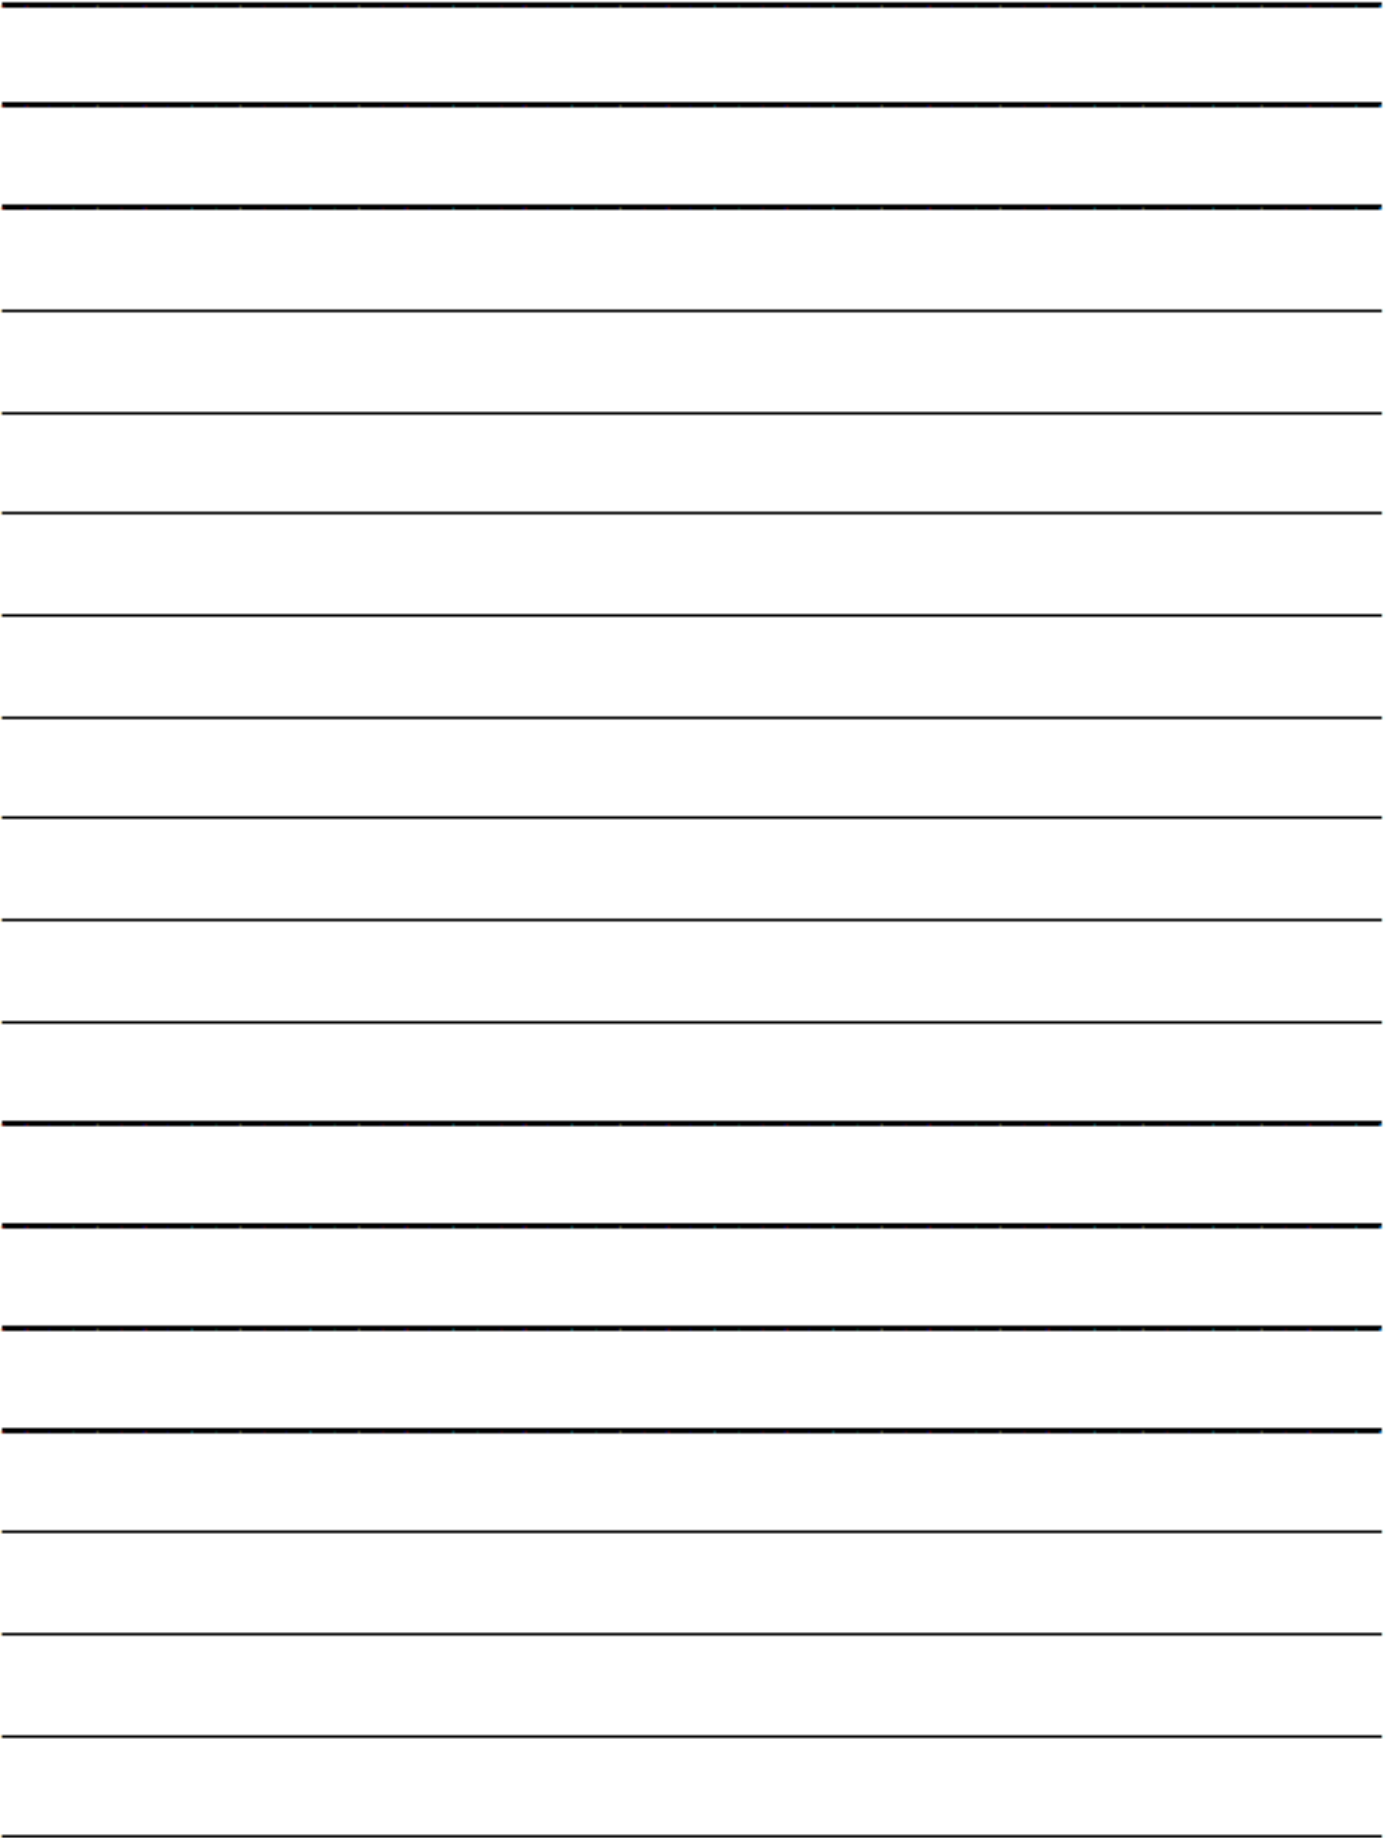

Choose one of the writing prompts below. Brainstorm to help plan your writing. Write your story in your notebook. Revise & edit your story with a tutor. Write your final copy on the sheet included in this packet.

- Tell about a holiday that you celebrate in the spring.
- Signs of new life are everywhere in the spring. Describe your favorite part of nature in the spring.
- It often rains a lot in the spring. Do you like or dislike the rain? What do you do to stay busy on rainy days?
- Women's History Month is in March. Tell about an important woman in your life and share how she inspires you.
- People think about spring as a time for new beginnings--what is something new you'd like to start doing this spring?
- What is your favorite springtime memory?
- Compare and contrast spring in Wisconsin to spring in your country.
- Flowers begin to grow in the spring. Choose any flower to describe yourself. Tell about your flower and list things you and this flower have in common.
